MESSAGE

Subjects like **corporate sustainability** and **rurban development** can deal with the business strategy under which challenges of climate change may be taken up with commendable situation. Gujarat has geared up for environmental studies, where An inspiring mission with the experienced and enthusiastic initiatives may generate excellent result for devising the better response.

I am glad to know that SEMCOM of Charutar Vidya Mandal, while offering choice-based credit system to its students has inspired them for case studies on "**Convenient Action – Gujarat's response to challenges of climate change.**"

I congratulate SEMCOM for its proposed induction of new courses on the subject "Rurban Development" and "Corporate sustainability."
